

2009

SUMMER NEWSLETTER

Welcome to this edition of our Newsletter. This time there's lots about our REFURBISHMENT SERVICE including a competition, full details of the service, a special offer of refurbished COMPETITION PORTAFORGES, and a repeat of our amazing REFURBISHMENT PROMOTION where the successful participant receives a SWAN CYGNET DELUXE Portaforge.

With the way things are at the moment a REFURBISHMENT makes even more sense.

What's more, we're further encouraging users to book a REFURBISHMENT by keeping our costs down at 2007 levels!

And remember, we loan you a Portaforge while yours is with us being refurbished. It's all part of the service.
