

# Clervaux Garden School

Ruskin Mill Trust operates provisions that provide innovative and inspirational education for young people with special learning needs, developed out of the insights of Rudolf Steiner, William Morris and John Ruskin. Applications are invited for the following post that will be based at the new Clervaux Garden School in Darlington.

## Blacksmithing Teacher

Working 40 hours and 52 weeks the salary can range from £23,315.08 - £33,473.97 depending on experience and whether or not you are already a qualified teacher.

We are open to a range of working patterns for the right candidate, whether that is part time or working term time only. However to ensure consistency for our students we are looking to employ someone and not outsource or otherwise contract out.

A generous relocation package is available for those applying from other areas of the UK, however a visit to the forge is a requirement of the assessment process.

We have an exciting opportunity to become our Blacksmith at Clervaux Garden School in Darlington. The School provides a child-centred curriculum, adapted to each child's developmental and learning needs, and the opportunity to discover each child's path to lifelong learning, offering a variety of educational programs designed to meet the needs of students with developmental delays, social and sensory sensitivities, and learning challenges.

The Garden School has a complete forge on site that we want to see thrive as a key part of our curriculum. We are looking for a Teacher to take on the care and operation of the Forge while giving students the opportunity to learn about the craft of Blacksmithing while completing NOCN qualifications.

Although we are looking for a Qualified Teacher keen to take on this role, we would be keen to see applications from experienced craftspeople who are looking to take their career into teaching practice. A development plan would be agreed with you on appointment, the School will cover the cost of your training but you must be willing to complete a teaching qualification if you do not already have one.

Please bear in mind that you may be asked to travel to other sites across the country for the purpose of training.

**Closing date for applications: 12pm Friday 16th April 2020**

**We reserve the right to close the advert if we meet the right candidate so please do not delay in your application.**

Clervaux Garden School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Successful applicants will be required to undergo a DBS Enhanced Disclosure (previously known as the CRB).

Clervaux Garden School is committed to becoming an equal opportunities employer.
