NOTES FOR SHOEING COMPETITORS

Entrants in all classes must compete on the day stated. The draw for the starting times for each Competitor will be made after the entries close, and Competitors will be notified of their starting times before the Show. These arrangements are made for the convenience of Competitors but in the event of failure to arrive on time, or for any other reason, the Steward may, at his discretion, alter the starting time. One admission ticket will be supplied for the day of the competition.

Residential Vehicles

Parking space is restricted. All competitors must park as instructed by the Shoeing Steward. Permits for vehicles/caravans used as living quarters are available for a reserved area in the External Caravan Park as indicated on the attached layout plan. Any caravan or tent found in the shoeing or horse areas will be asked to move immediately. Failure to do so will mean exclusion from the competition. Please telephone 01392 353781 for further details. (Tickets must be bought in advance).

Advance Sale Tickets

Admission tickets for additional guests or family members may be purchased prior to the Show at reduced rates. (see enclosed leaflet)

NOTES FOR SHOEING COMPETITORS:

In recognition of the need for Competitors in the Shoeing classes to bring their equipment onto the Showground, a limited number of special passes may be obtained on a first-come, first-served basis on application with your completed entry form. A lock up store will be available to competitors, the key to be held by the Steward of the Shoeing section. Cars will not be permitted to enter or leave the Showground between the hours of 9 a.m. and 7 p.m. Subject to space and at the Stewards' discretion it may be possible to accommodate a small number of cars close to the shoeing stand. Full registration details will be required.

Health and Safety for Features Exhibitors

Devon County Show takes pride in welcoming both exhibitors and visitors to the Show. In order that we provide a safe environment for all parties we ask that you comply with the following when on Show Site. For some Feature Sections additional rules may apply. In the event of a query please speak to your Section Stewards.

Children: Please ensure children are supervised at all times. If possible leave children at home during set up and breakdown; the show site is not a suitable play area as there are a number of moving vehicles and heavy equipment on site during these periods.

Dogs: We strongly recommend that you do not bring your dog onto site during set up or break down. Any dogs on site must be on a short non retractable lead and under your control at all times. Please do not leave your dogs in your car

Fire: In the event of a fire please follow the instructions of the Feature's Steward who will know what action to take in the event of an emergency. Fire extinguishers are available in all marquees and these are located near to the fire exits or at a central fire point

First Aid: Our medical centre is available on the Wednesday before the Show and this is indicated on our site maps (near the Lime Tree Café) and until midnight on the Saturday night.

General: If you see something that you think is unsafe or wrong then please report this so that we can do something about it.

Electrical Equipment: Any electrical equipment being plugged into the Show's electrical installation (paid for in advance) must be PAT tested.

Slips, Trips and Falls: Please ensure that you keep walkways clear of your belongings, cables or any other objects. Exhibits must be secure and displayed so that they will not topple over during the Show

Smoking: Smoking of any type is not permitted in any of our buildings, marquees, or temporary structures

Vehicles: Please drive slowly and stick to the designated roadways. Your vehicle must be off site and parked in the appropriate car park by the time advised by your Section. At the end of the Show please do not move your vehicle until permission is given to do so. Quad bikes and motor bikes (other than those in displays) are not permitted on the Show Site.

Waste: Please ensure that any waste is placed into the appropriate waste skip provided.

Working at Height: If you are building a display then appropriate working at height equipment should be used (as identified in your risk assessment). Climbing on boxes, chairs or staging is not acceptable. Anyone using tower scaffolding must be suitably trained in its erection and use (PASMA).
