### Farriery Bespoke Programme

The FRC guidelines state that all Farriers looking to train Farriery Apprentices must hold a recognised TTFA training qualification to gain their ATF status. If you are an aspiring ATF then Herefordshire, Ludlow and North Shropshire College will be running a TTFA course in the Spring 2022.

**Course dates: 10<sup>th</sup>, 11<sup>th</sup> March & 27<sup>h</sup> May 2022**

**Course times: 9.00am to 4.00pm**

**Course cost £650**

**Venue – Rural Crafts Centre, Holme Lacy Campus, Hereford, HR2 6LL**

The course is set up to support aspiring ATFs gain the knowledge, skills and behaviours they need to successfully train Level 3 Farriery Standards Apprentices. Supported by experienced Tutors and working as part of team, successful attendees will gain an initial teaching qualification accredited and certificated by Pearson.

Attendees will spend their first two days gaining a practical understanding of foundation teaching and assessment techniques relevant to the training of Apprentice Farriers. With the third day dedicated to supporting attendees deliver a 20 Minute 'Micro Teach' session, provide feedback on the sessions delivered by their peers, and finalise a 'Portfolio of Evidence'. This is not as daunting as might first appear, with the course well supported by friendly and experienced Tutors delivering a TTFA course tailored towards the needs of training Farriers. Previous attendees have worked hard to support each as part of a team and have reflected that the course is both rewarding and enjoyable.

Assessment for this qualification is delivered through the assessment of a 'Portfolio of Evidence', with the Tutors supporting attendees to gather a variety of evidence during the 3 day course and within the working environment between days 2 and 3; including assessment of a 20 Minute 'Micro Teach' session observed by course Tutors and attendees.

Attendees will be provided with a 'Course Folder', lunch and regular refreshments. Whilst a lap top, smart phone or tablet can be useful, attendees only need to bring a pen, a desire to learn and themselves.

If you'd like to complete your TTFA with HLNCS, please submit an online application form via the college's website [www.hlcollege.ac.uk](http://www.hlcollege.ac.uk) using the "Short Course" application form.
