We understand that today's farriers need more than just 1 type of shoe and a whole range of other products for you to do the best job you can .

You need a choice and that is what we are trying to give you with our range of shoes.

We feel that these suppliers have a whole range of products; knowledge and support that helps you do the job right.

Our idea is quite simple: Good products at low prices.all you have to do is try them and then decide.

We don't make a quality range and a budget range of shoes, we only make a quality range but at budget prices!..... It's that simple.

Just check out our prices and our shoes from any of the suppliers above or;

Call us on 01909 566822.

**We are open: Mon – Friday 8.00 – 5.00 p.m.
Saturday 8.00 – 12.00 p.m.**
