## Blacksmith– Bisca Staircases

Bisca are market leaders in the design, manufacture and installation of staircases, balustrades and architectural commissions in UK & overseas. Experiencing growth, we are looking for an enthusiastic, hard working and time-served blacksmith to become a valued member of our workshop team based in Helmsley, North Yorkshire.

### Main Duties

You will be an important player in a small team, using a wide range of materials and fabrication techniques to create one off commissions to very high standards. These standards have earned Bisca its reputation for quality and workmanship. You will be fabricating structures from drawings using a wide range of processes including forging, forming, cutting, burnishing, finishing and welding. Throughout the project, you will ensure your work consistently meets quality standards and is completed within time and cost constraints. Dialogue with design and procurement is part of this role and you are expected to attend design briefings for your team's projects.

### Key Skills and Experience

The mix of in-house manufacturing with on-site installation provides interesting and challenging work. You will have advanced blacksmithing skills and a keen interest in developing your knowledge of general metalworking. An interest in using other materials such as timber, stone and glass is desirable.

You will be working with private clients and within contractor operated building sites. As representative for Bisca you must have the ability to communicate effectively and professionally at all levels.

We are looking for people with the ability to demonstrate relevant examples of industry experience which supports the following characteristics:

- Good basic education
- Experienced blacksmith and metalworker
- MIG/TIG welding desirable
- Genuine pride in the work produced and keen eye for detail
- Interest in bespoke architectural manufacturing
- Enthusiasm, positive attitude and a team player
- Full drivers' license and flexibility to travel to site installations both UK and overseas
- Eligibility to work in a full time role in the UK

**Location:** Helmsley is a small market town on the road from Thirsk to Scarborough. Public transport is limited and you will need your own transport. If you currently live in excess of 35 miles from YO62 5DQ, you MUST indicate you have understood the logistics of your daily commute and clearly tell us how you intend to manage this (for example commute or relocation).
