*All competitors are to sign they have understood the safety brief before starting your round.

- PPE MUST be worn by all personnel working on the anvil. (Including striker) Points will be deducted if you are seen not adhering to this rule.
- Strikers must be Apprentices.
- Strikers can only brush the shoes/steel at the fire (not on the anvil).
- Strikers can control the speed of the coke forge and pass competitors their shoes.
- Once you have finished the round, place tags on shoes and pass to the timekeeper and clear your tools ready for the next round.
