

CONGRESO INTERNACIONAL
DE PODOLOGIA EQUINA

JEREZ, 2024

4th INTERNATIONAL CONGRESS ON EQUINE PODIATRY

16- 17- 18 MAY 2024

JEREZ DE LA FRONTERA, SPAIN

PROGRAMME - THURSDAY 16TH

08.00 - 10.00 Demo Shoeing and Demo commercial

10.00 - 10.45 *Coffee break*

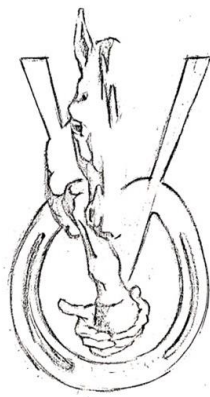

10.45 - 10.55 Opening ceremony: CIPE 2024

10.55 - 11.55 How observation of equine behaviour can help us determine the presence of pain. Dr Sue Dyson. *For Vets and Farriers*

11.55 - 12.40 How could we find the lame limb? Dr Sebastian Caure

12.40 - 13.30 Barefoot for performance. Experiences and research. Aksel Vibe

13.30 - 15.30 *Lunch time*

CONGRESO INTERNACIONAL
DE PODOLOGIA EQUINA

JEREZ, 2024

4th INTERNATIONAL CONGRESS ON EQUINE PODIATRY

16- 17- 18 MAY 2024

JEREZ DE LA FRONTERA, SPAIN

15.30 - 16.00 Main details in high competition polo horse shoeing. Rodrigo Fernández

16.00 - 16.30 Effect of shoeing on the locomotion. Dr Sebastian Caure

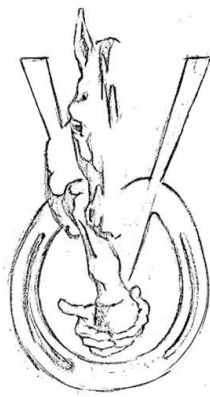

16.30 - 17.15 *Coffee break*

17.15 - 17.45 Management and protection of barefoot horses in competition.

Alejandro Moscoso

17.45 - 18.15 Main shoeing particularities in high competition driving horses. Rob Renirie

18.15 - 19.00 Review of Demo shoeing.

CONGRESO INTERNACIONAL
DE PODOLOGIA EQUINA

JEREZ, 2024

4th INTERNATIONAL CONGRESS ON EQUINE PODIATRY

16- 17- 18 MAY 2024

JEREZ DE LA FRONTERA, SPAIN

PROGRAMME - FRIDAY 17TH

08.00 - 10.00 Demo Shoeing and Demo Commercial

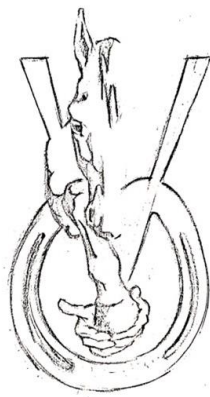

10.00 - 10.45 *Coffee break*

10.45 - 11.45 Morphological changes in the hoof capsule. Urszula Krzanowska

11.45 - 12.30 The correlation between function of the proximal locomotor system
and body posture with gait quality and hoof conformation. Jenny Hagen

12.30 - 13.30 Does orientation of the distal phalanx within the hoof capsule influence the
development of hindlimb lameness? Dr Sue Dyson

13.30 - 15.30 *Lunch time*

CONGRESO INTERNACIONAL
DE PODOLOGIA EQUINA

JEREZ, 2024

4th INTERNATIONAL CONGRESS ON EQUINE PODIATRY

16- 17- 18 MAY 2024

JEREZ DE LA FRONTERA, SPAIN

15.30 - 16.00 Creativity in contrast x-rays of equine distal extremity. Not only for laminitis.

Dr Gabriel Manso

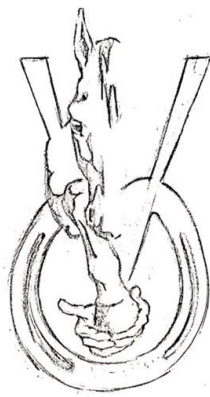

16.00 - 16.30 The effects of hard and soft surface on sport horses. Domenico Cellaro

16.30 - 17.15 *Coffee break*

17.15 - 17.45 Big data studies of the hoof and lower Leg. John Craig

17.45 - 18.15 Radiographic image distortion in the digit. Dr Manuel Novales

18.15 - 19.00 Review of Demo shoeing

CONGRESO INTERNACIONAL
DE PODOLOGIA EQUINA

JEREZ, 2024

4th INTERNATIONAL CONGRESS ON EQUINE PODIATRY

16- 17- 18 MAY 2024

JEREZ DE LA FRONTERA, SPAIN

PROGRAMME - SATURDAY 18TH

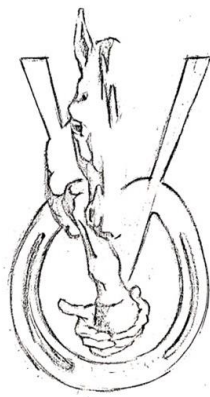

08.00 - 10.00 Demo: Shoeing

09.00 - 10.00 Can we confuse primary forelimb lameness from lameness induced by caudal neck pathology? Dr Sue Dyson

10.00 - 10.45 *Coffee break*

10.45 - 11.45 How can lesions of the deep digital flexor tendon in the digit be diagnosed in the field and managed? MRI always necessary? Dr Sue Dyson

11.45 - 12.45 Recovery and rehabilitation in foot pathologies. Case report. David Argüelles and Aritz Saitua – Vets
